Ramsekhar Manchikalapati joins IPE Global as Chief Executive Officer

Tweet { 0 | 8+1 | 0 }

Ramsekhar brings with him the experience of working in senior positions in government, public sector, private sector and in consulting.

11 Jul 2013

MUMBAI (Commodity Online): IPE Global Private Limited, a leading development consultancy firm has appointed Ramsekhar Manchikalapati, a former IAS officer and former CEO of CRISIL Risk & Infrastructure Solutions as the Chief Executive Officer (CEO) of the company.

Ramsekhar brings with him the experience of working in senior positions in government, public sector, private sector and in consulting. During the two decades spent as a member of the Indian Administrative service, he worked extensively in the areas of urban development, industrial and economic development, infrastructure, transport, and governance. Ramsekhar in his previous engagements led large and complex organizations, stabilized and grew businesses, helped strengthen reforms and improve governance.

"We welcome Ramsekhar to IPE Global", said Ashwajit Singh, MD& Chairman, IPE Global. In his new role as Chief Executive Officer, he will be responsible for leading our operations both in India and overseas."

With offices in Kenya, Ethiopia, UK, Bangladesh and 8 cities in India, IPE Global had undertaken more than 350 challenging assignments in over 25 countries for multilateral and bilateral international agencies.

"The leadership of Ramsekhar, with his result-oriented approach and ability to think strategically will play a vital role in expanding our frontiers and continue our growth," Ashwajit said.
