New Delhi, Feb. 23 -- As part of the first of its kind Development Leadership Engagement activity, IPE Global, the largest Development Consulting firm of South-Asia, honored UNICEF with the Development Sector Excellence Award 2015 in the Bilateral/Multilateral Donor Category. The event brought together some of the top representatives from, civil society organizations, government officials bilateral and multilateral agencies and academicians to discuss on subjects of interest to the development community.

Dr. Anisur Rehman Siddique accepted the award on behalf of UNICEF for their path-breaking work carried towards reaching the goals set out through the UN Global Polio Eradication Program in 1988, and in helping to make India polio free.
